Subj: INTELLIGENCE COMMUNITY STAFF ASSIGNMENT

Ref: (a) D/ICS memo BYE 1617-88 dated 26 Jul 88

1. I am responding to your letter of 26 July providing us the opportunity to assign a representative from Naval Intelligence to the Intelligence Community Staff.

25X1

2. I am actively seeking a qualified candidate to fill the position you described. I agree that the participation by a Navy representative in the Requirements and Evaluation Office would be a significant contribution to maintaining a solid community prospective.

3. Due to military manning shortfalls, I will be looking for a qualified civilian, and will provide the name or names of the nominees to you in September.

Very respectfully
Thomas A. Brooks
